

# UNIVERSITY 2035

## Role of Educators in the 21st Century

As university lecturers, we have undergone significant changes in recent years. As a result of COVID 19 we have to move even faster to meet the needs of students and future employers. Over the past year the interdisciplinary "Social Innovation Research Lab" of University of Debrecen has focused on the innovation possibilities of university education. This webinar gives opportunity to think together.

Are we ready for the future of universities?  
Let's find the answer together!
